### **An artistic platform for creation, innovation and collaboration**

As the largest network of public theatres in Europe, the ETC has more than sixty European Theatre Members from thirty countries, reflecting the diversity of Europe's vibrant cultural sector.

Founded in 1988, the ETC promotes European theatre as a vital social platform for dialogue, democracy and interaction that responds to, reflects and engages with today's diverse audiences and changing societies.

ETC fosters a socially-engaged, inclusive notion of theatre that brings Europe's social, linguistic and cultural heritage to audiences and communities everywhere.

Powerful and professional ETC governance ensures that the network will strive and grow taking into consideration latest trends and developments.

Our current 3-year ETC programme, TRANSFORMATIONS, offers many opportunities and projects possibilities for our members. This comprehensive, ground-breaking programme is supported by the Creative Europe Programme of the European Union.
